Institutional Distinctiveness:

**“Marching towards Excellence through
Research and Collaboration”**

Goalpara College

Affiliated to
Gauhati University

Goalpara College (GC), one of the leading institutions under prestigious Gauhati University, is charged with spirit of adventure, inclined to cultural legacy and unique scientific temperament, committed to societal empowerment and task of nation building. GC is envisioned to explore all possibilities for efficacious **Research and Collaboration(R&C)** ensuring the adequacy, fair support services through research sharing and networking with other institutions in India and abroad. Being a teaching institution, GC prioritizes delivery of high-quality education to undergraduate students keeping its primary focus on excellent teaching and supporting student-learning outcomes. Continuous efforts in teacher-student ratio resulted improvement of **1:36** to **1:27** during 2017-22. GC faculties actively seek external funding through grants and research projects frequently applying for grants from government agencies or private foundations.

- Remarkably, among Arts Departments, Assamese, Economics, Education and Philosophy have carried out research projects of more than **2 million INR** funded by UGC, ICPR and IGNOU. These projects have fair reflection of psycho-social, economy, linguistics, feminism, art and culture and have enormous contribution to societal upliftment in entire West Assam.
- Among Science Departments, Botany and Zoology have set an exceptional milestone with research projects of more than **10 million INR** funded by leading government agencies of India like DBT, UGC, ICAR-NBFGR, DRDO and ASTEC. Among these, GC secures its research enthusiasm with DBT sponsored project on evaluation of antioxidants, antihyperlipidemic property in traditional medicinal plants having worth of almost **5 million INR** alone.
- Some of diverse areas in research projects include study of ferroelectric nano material, karyotyping and banding of selected fish species, fish zoonotic infection, fish breeding and culture

technique, pteridophytic flora, in-vitro micro propagation and conservation of orchid species, and wild edible plants.

- Outstandingly, faculties strive to publish their research findings in widely accepted academic journals, conference proceedings, and books. Publication of **100+** research papers and articles with high impact factors in Scopus, Web of Science, UGC-Care journals; **75+** books and book chapters in ISBN/ISSN and peer-reviewed volumes during last 5 years are benchmarks of impressive research environment of the institution.
- To share knowledge, establish credibility, and contribute to advancement of respective field of study, GC adheres to ethical guidelines and principles in its research. It ensures protection of human subjects, maintain data integrity, and comply with **Institution's Innovation Council's** requirements.
- Faculty's active participation in **250+** research seminars, conferences, workshops at national and international level during last 5 years that provided opportunities to present their research, network with other researchers, and stay updated with latest developments in their field. With disbursement of more than **1 Lakh INR** during last 5 years, GC facilitates partial reimbursements for attending out-station academic events to inspire more participation in a smooth-running manner.
- Besides professional development, faculties engage themselves to supervise undergraduate students' research projects providing mentorship, guidance, and support to students; **experiential learning** through field trips, research laboratory visits and thus motivating pursuance of advanced degrees. With **900+** project count in 2022, GC announced award of **Best Dissertation** for three young minds from undergraduate programme among all departments at their preliminary stage in research.
- To build an effective research culture and train future researchers, college provides splendid **plagiarism-checker** software in library and other support structures. These support

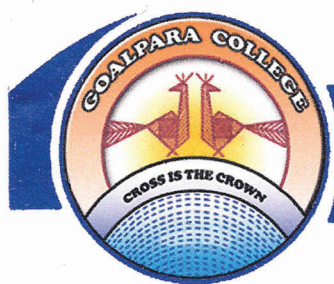

include research facilities, access to specialized equipment and resources and administrative assistance for managing research projects.

- GC has an establishment of DBT sponsored **Advanced Bio-technology Hub** which has state-of-the-art facility to conduct research in biotechnology especially exposure to researchers and students on basic techniques of microbiology and molecular biology.
- World class in-campus **GISLab** has enabled analysis of spatial data allowing users to explore patterns, relationships, and trends in geographic information. Data management, mapping and visualization, decision support, environmental analysis, emergency management, urban planning, and interdisciplinary applications are major thrust areas of this GIS establishment.
- GC has provision of **Language Lab** which provides students to practice listening and pronunciation, speaking and conversation, software and skills at individual level.
- GC constructed specialized **polyhouse** facilities designed for cultivation of crops in a controlled environment and initiated **experimental garden** along with dedicated corridor for indigenous orchids that offer a range of benefits for scientific research, education, and advancement of horticulture and agriculture.
- Science and Technology experimentation by students have earned pride to entire college family with their extraordinary innovations and achievements from **India Book of Records**, **Assam Book of Records** and **Ministry of Education**.
- Collaboration allows GC to create more enriching and interactive learning experience for students by encouraging teamwork, group projects, and peer-to-peer learning. **Community Radio Station** (CRS) is a result of such great collaboration with BECIL under Ministry of Information and Broadcasting which allows GC to establish direct connection

with local empowerment. CRS provides creative platform for students and faculty to engage with community members, understand their needs, and address local issues through radio programs.

- Collaboration has enabled GC to undertake interdisciplinary research projects that combine expertise from multiple fields. GC attempts to enhance its reputation as well as visibility through successful collaborations and partnerships. GC has signed **30+Memorandum of Understanding (MoU)** with external agencies to foster academic and research possibilities during last 5 years.
- Such collaborations include Resource Centre of UN-North East Region University of Massachusetts Chan Medical School, USA; Foundation for Advancement of Essential Diagnostics, USA; Mission Birubala; Feinberg School of Medicine, Northwestern University, Chicago at **international** level; Institute of Advanced Study in Science and Technology (IASST); University of Science and Technology Meghalaya; Ministry of Science and Technology Government of India; Broadcast Engineering Consultants India Limited; Regional Orchid Germplasm Conservation and Propagation Centre; Central Sanskrit University, Delhi and others at **national** level and All Rabha Sahitya Sabha; GEOID Forum; Dudhnoi College; Birjhora Kanya Mahavidyalay; Daffodil College of Horticulture; Goalpara Forest Division; Ayursundra Superspeciality Hospital and others at **regional** level.

By working with reputable organizations, community and achieving significant research or innovation outcomes, GC has established itself as leaders in entire Assam and aimed to attract high-quality students, faculty, and funding opportunities, strengthening R&C and sustain institution's distinctiveness.

ICAR-NBFGR, Lucknow

To,

The Principal,
Goalpara College,
Goalpara

Subject: Details of funds released under ICAR-NBFGR Collaborative research programme at Goalpara College, Goalpara reg-

Sir,

This is to inform you that the following fund has been approved and sanctioned by this institute under the new project to be implemented at Department of Zoology, Goalpara College, Goalpara as per the details given below.

S.N	Title of Sub-Project	Principal Investigator	1st instalment of Budget for 2022-23			Reference number
			General	Capital	Total	
1.	Karyotyping & banding of some selected indigenous fish species of undivided Goalpara district of Assam & adjacent districts of Meghalaya	Dr. Trishna Barman, Assistant Professor of Zoology, Goalpara College, Goalpara	2,70,000	1,00,000	3,70,000	Amount of Rs. 3,70,000 (AXTB221675091 827) was transferred on 16/6/2022 to the account number 33628783212

The same may please be disbursed to the Principal Investigator

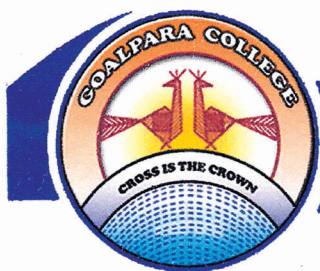

Thanking you,

Yours' sincerely

(Rejani Chandran)
