

Goalpara College, Goalpara

Instructions for Admission in HS 1st Year Classes

The students who are already selected for admission in Goalpara College (as notified by the DARPAN portal) have to take admission online after completion of document verification adopting the following steps:

1. A message will be sent to each selected student in the registered mobile number asking to take admission through **Goalpara College online admission portal** within specified date.
2. After receiving the message, he/she will have to log in to the Goalpara College Online admission portal (Button: **Online Admission**) for admission.
3. In the log in penal, student will first **click the forget password button**, then **enter the ARN**. An OTP will be received in the registered mobile number.
4. **The OTP should be entered to reset the password**. Remember the password which will be used for Log in in the portal.
5. After setting the password, student has to **re-log in in the portal and go to the admission tab** using the ARN and already set password.
6. Then, he/she has to **make online payment** using the payment option. After payment, they will **get payment/admission receipt**.
7. It is strictly instructed not to come to the College for any admission related matters. Government guidelines in this regard should be followed.
