ADD-ON COURSE ON MUSHROOM CULTURE ORGANISED BY DEPARTMENT OF BOTANY IN ASSOCIATION WITH ALUMNI ASSOCIATION OF BOTANY DEPARTMENT

Brief Report of the Course –

21st December 2021 – Under the supervision of Dr. Dharmeswar Barman (Coordinator) Assistant Professor, a 10 days (30 hour) long course on Mushroom Culture was organized by Department of Botany, Goalpara College in association with Alumni Association of Botany Department from 9th December 2021 till 20th December 2021. The Programme was inaugurated by Dr. Subhas Barman, Principal Goalpara College, who encouraged the idea of application of the gained knowledge to become financially independent. All the participants were welcomed by the Faculty members of Botany Department and Dr. S.N. Sarma (Ex. Vice Principal, Goalpara College) and Mr. Gurupad Sarma (Ex. Principal I.C, Goalpara College) who also chaired the inaugural programme.

The course included a full proof plan of providing skilled training to the participants. This was realized with the collective effort of the 6 faculty members and 4 members Anindita Kalita, Deepak Rabha, Evlina Begom and Bikash Barman of the Allumni Association of Department of Botany. 84 registered participants both from our college and West Goalpara College were given Hands- on training during the afternoon sessions following the theory classes in the morning session. The course was concluded by a ceremonial distribution of certificates to the participants on 20th December 2021.

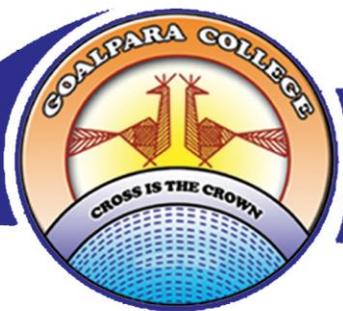

Aims of the Course

- ❖ To enable the students to identify the edible and poisonous mushrooms.
- ❖ To provide hands-on training for the preparation of bed for mushroom cultivation and its harvesting, pests and diseases control and post harvesting management.
- ❖ To provide the students awareness about the marketing trends of Mushrooms.
- ❖ To give the students exposure to the experiences of experts in the field and to functioning mushroom farms.
- ❖ To help the students to learn a means of self-employment and income generation

Course Outcome

- Students can start small scale industry of Mushroom cultivation.
- Students will understand the morphology and types of Mushrooms.
 - They are aware of the identification of edible and poisonous Mushrooms.
- Students will be able produce spawn on their own.
