**ADD-ON COURSE
ON
VERMI-COMPOSTING
ORGANISED BY
DEPARTMENT OF BOTANY
IN ASSOCIATION WITH
ALUMNI ASSOCIATION OF BOTANY DEPARTMENT
From 04/09/2021 to 13/09/2021**

Brief Report of the Course

4th September, 2021 – Under the supervision of Dr. Dharmeswar Barman (Co-ordinator) Assistant Professor, a 10 days long course on Vermi-Composting was organized by Department of Botany, Goalpara College in association with Alumni Association of Botany Department from 4th September 2021 till 13th September 2021 targeting mostly regular students of the department and 79 of them joined the course. The Programme was inaugurated by Dr. Subhas Barman, Principal Goalpara College, who encouraged the idea of organic farming and reducing soil pollution. All the participants were welcomed by the Faculty members and Alumni of Botany Department. The course included training-based classes from developing a vermicomposting pit to its maintenance and harvesting of the vermicompost.

Objective of the course

To teach student about importance of recycling of garbage in order to sustain our health and environment. Students will understand Four R's of Recycling Reduce, Reuse, Recycle, Restore via the certificate course in vermicompost technology.

To teach students to compost in a limited space.

To increase the employability of Students in bio-farms.

They can generate employments.

They will also turn towards organic farming.

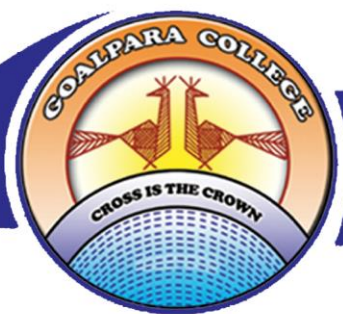

Will help to maintain the environment pollution free and Will get the knowledge of biodiversity of local earthworms.

Learning outcomes

After completion of the course students will

1. Understand the importance of vermicompost application to the soil.
2. Understand and study the Scopes and Opportunities for vermicompost production.
3. Study the Need for vermicomposting Organic Farming in India.
