

Goalpara College, Goalpara

Report on Extension Activity dated 23rd April, 2022

The Extension Activity Cell of Goalpara College actively engaged in various creative and constructive social activities since its inception. The main objectives of this activity are to ensure the social consciousness among the students in general and to serve for the wellbeing of community-people in particular.

The Cell organised a Community Awareness Programme on DRUG ABUSE in association with the Department of Education, Goalpara College, on 23rd April, 2022 at Dr. B.R. Ambedkar Harijan School, Goalpara. The college teachers, students and eminent persons as well as school headmaster, teachers, students and community members attended the programme. The meeting was followed by lecture session, discussion and interaction session. The programme was very interactive and useful.
