**Policy for Consultancy and Collaboration**

The college strives for its goal of institutional excellence by promoting research, consultancy, extension, outreach activities alongside the traditional teaching and learning process. It works towards the growth of student entrepreneurs and innovator. The college encourages the faculty members to take up research projects by extending all possible support.

1. The college has to serve the society by encouraging conduct of outreach programs and consultancy services.
2. The college has to assist and encourage the faculty members to offer consultancy services with needed infrastructural support.
3. The research monitoring cell of the college has to ensure that the expertise available in the departments especially the science departments is open to the public.
4. Establishment of linkages with higher educational and research institutions to be boosted by the college.
5. The college has to ignite the concept of collaborative growth by exchanging faculties between institutions for research as well as teaching and learning. This is for offering national and international exposure to the faculties and extending them the opportunity to upgrade their skills.
6. Internships and on-the-job trainings to be offered to the students in established

industries and organizations in order to shape them for the global challenges with requisite competence and professionalism.

7. The college has to encourage the students for the creation of new ideas or products which may add value to human life and society. The innovation council of the college needs to be formed to assist the students in their journey of generating ideas and solutions by organizing institutional innovation events, workshops and trainings.

G.B. Meeting held on 7/12/2019 approved the policy for competency and collaboration.
