Quality Policy

Achieving the highest quality standards of the Higher education sector is the sole motto of the college.

1. Adequate opportunities to be provided to all the learners for recognizing their potential in order to achieve the highest standards in their respective programs.
2. There must be no discrimination on the basis of religion, caste, creed, race, nationality, language or religion and treatment of all in the campus has to be fair and equal.
3. The dissemination of knowledge, skills and expertise in all programs is to be critically designed to ensure that the learners are groomed as good citizens with principled attitude.
4. The process of quality assurance, enhancement systems and procedures must be perpetual and binding on all stakeholders. It has to rigorously evaluate strengths and weaknesses to explore counter measures for improvement.
5. The quality system will target enhancement in the standard of teaching, learning and evaluation through monitoring, reviewing and development measures.
6. Interaction with the employers and their feedback of students and other stakeholders to be considered to evaluate the service trails of the students in the

Approved Quality Policy by
