**Research Policy**

The college gives utmost importance on research and other related activities. The college research policy provides guidelines for the conduct and publication of high-quality research work by all the staff, students and external experts/guides associated with the research work conducted at the college.

1. The college research policy to adhere to the principles of research, publication and academic integrity of the University Grant Commission (UGC) and affiliating university.
2. The research monitoring cell of the college to be formed comprising of faculty members has to promote and maintain the research environment of the college. This cell which is headed by a Research Coordinator, has to support decision making in research related matters which are very important for the institution.
3. In case of funding received from government agencies such as Department of Science and Technology – Funds for Improvement of Science and Technology (DST-FIST), DBT, UGC, the project implementation group (PIG) to be constituted of faculty members as per the directives of the funding agency. The Research Committee has to ensure that the funds received must be utilized by the institution in only those heads for which it is released within the stipulated time of its usage.
